CHRISTIAN WORLDVIEW STUDENT CONFERENCE

for High School
and College Students

July 7-12, 2008
Newport News, Virginia

**“A week’s instruction
to last a lifetime.”**

WHY A WORLDVIEW CONFERENCE?

CHRISTIAN STUDENTS KNOW LIFE IS MORE THAN FUN AND GAMES. They need and welcome access to answers to life’s issues through God’s wisdom. Increasingly the favorite sport of many college professors and those speaking loudest in society is to ridicule the Christian faith and its application to all of life. Through the Christian Worldview Student Conference (CWSC), Christian young people are being better trained to be discerning and thinking youth, ready and able to handle the intellectual warfare of a culture increasingly hostile to Christianity. God’s Spirit has been working to help prepare part of the next generation to use God’s Word toward building God-honoring change in the world.

Each year outstanding instructors with the gift of communication have challenged students. Their desire is to equip and encourage youth, not only with answers of truth, but a life walk abiding in the Truth, the Lord Jesus Christ.

Students have also profited through personal interaction with instructors and fellowship with those their own age from all across the United States. Quality friendships have been formed that will last a lifetime. **Sessions are taped. Contact us for ordering information if you are unable to attend.**

WHAT PAST INSTRUCTORS HAVE TO SAY ABOUT CWSC

“A thoughtful and stretching agenda, with as bright and responsive a group of students as I have encountered in several years!”

Joel Belz
World Magazine

“An intense time of deep theological study and warm Christian fellowship.”

Richard Ganz
Author of Psychobabble

“It was a remarkable experience because the level of maturity of these young people, coming from a background of being trained like this was startling. I came to realize that we are going to have a very superior population in another generation with these young people taking over the leadership.”

R. J. Rushdoony
Chalcedon Foundation

“This conference stands alone in its self-conscious effort to build up covenant youth in a comprehensive Biblical worldview. It’s the best thing going for Christian young people today.”

Steve Wilkins
Pastor, Historian

Abraham Kuyper is remembered for saying, “There is not a square inch of ground of which Christ does not say, “It is mine.” Each year at the Christian Worldview Student Conference, Kuyper’s vision is implemented. The recurring theme of this conference is focusing upon some few square inches in academic, theological and practical areas, and saying, “This, too, belongs to Christ.”
