MyChron Gauges

MyChron M4 Basic \$359.95
 Monitors RPM, Temp, and Laptimes
 Only allows for 1 temp sensor-included.
 No Beacon Included

MyChron M4 Basic T2 \$459.95
 Monitors RPM, TwoTemps, and Laptimes
 Two temp sensors-included.
 No Beacon Included

M4 E-BOX \$459.95
 Expansion Box for M4 Basic
 Add ability to monitor MPH
 Two Temps can be monitored
 Adds Track Mapping Capability
 -Complete system includes software,
 wheel speed sensor, data key, and
 complete instructions.

MyChron M4-660 Basic \$499.95
 Two Temps-No Lap Timing
 Engine and Jackshaft RPM
 Drag Racing Firmware
 Includes DL Cable and Software

MultiChron Stop Watch \$149.95
Smarty Cam \$995.00
M4 GPS Unit \$369.95

TERMS OF SALE

Ordering

Orders placed before 12:00 pm CST will be shipped same day. Orders placed after this time may not always be shipped the same day due to the volume of orders we handle. Orders may be placed by FAX, Voice Mail, or given to **Mike** over the phone. We can also accept orders via e-mail, but due to occasional server delays it is always best to follow up an e-mail order by phoning for confirmation.

Payment

We accept Discover, MasterCard, and Visa for payment on your orders. Sorry, we do not ship COD. You may pre-order by phone, and we will give you a confirmed quote for parts and shipping, and you can mail us a United States Postal Service Money Order for the payment. We will ship upon receipt of funds.

Returns

Most items can be returned within 10 days for credit if in new condition and in the original packaging. There are absolutely no returns on the following: special orders, belts, belt drive products, oils, lubes, fuels, tires, bodywork, or racewear. Returns are for **Store Credit** only and must be accompanied with a copy of the original invoice. The customer is responsible for all related shipping charges.

Pricing

All pricing in our Spring 2010 Racer Net Catalog was current as of its printing in January of 2010. A large number of the items are subject to the current market value of aluminum. Many are also affected by the current exchange rate of the US Dollar. Some prices are simply affected due to the manufacturer feeling their price needs raised. We only raise our prices when the manufacturer raises theirs. We try to keep our customers updated any time there is an increase, but this is not always possible. All availability, prices, and specifications are subject to change.

Disclaimer

Possession of this catalog does not constitute an offer to sell. Not responsible for misprints, errors, or omissions. All items in this catalog are intended for racing purposes only. None of the items are for aircraft use. All items are sold without warranty either expressed or implied.
